Introduction to Copilot Security Bootcamp

We are glad you have joined us for this course! Here is some information that will help you to navigate your learning platform and locate course content.

Joining the Session

Before the first live session please confirm that you can access Zoom:

1. Visit <https://support.zoom.us> and click on **Getting Started**.
2. Attn Percipio Users - The **Join live course** option is available where you registered for the session in Percipio 15 minutes prior to the start of class.

Course Description

This course you will gain a foundational understanding of Microsoft Copilot's security features and their role in protecting organizational data.

Target Audience

This course is designed for the individuals interested in Microsoft Copilot's security features and their role in protecting organizational data.

Agenda

1. **What is Microsoft Copilot?**
 - Overview of Copilot's functionality and integration with Microsoft 365 and Azure.
 - Introduction to AI's role in enterprise security.
2. **How Copilot Handles Data**
 - Understanding data flows: how Copilot accesses and uses organizational data.
 - Key safeguards in place to protect sensitive information.
3. **Security and Compliance Basics**
 - Overview of built-in tools like Microsoft Entra ID for authentication and access control.
 - Introduction to compliance capabilities, including auditing and monitoring.
4. **Simplifying Governance with Copilot**
 - High-level explanation of sensitivity labels, data loss prevention, and reporting.
 - Introduction to privacy controls and ensuring ethical AI usage.

Technical Support

We offer 24/7 support if you need assistance with your Percipio or Skillport learning platforms. To access support, click the initials of your profile and select “Help”.

Percipio

The screenshot displays the Percipio Skillsoft user interface. At the top, there is a header bar with the Skillsoft logo, a search bar, and navigation icons. A left-hand sidebar contains a 'Main menu' with options: Home, Library, What's New, My Learning (with a sub-menu for Live learning), Role Advisor, Certifications, Skill Benchmarks, AI Simulations, AI Assistant, My Settings, Help, and Log Out. The main content area features a 'FEATURED VIDEO' titled 'Quality Assurance versus Quality Control' with a 'Learn More' button. Below this is a section with tabs for 'Role', 'Recent Learning', 'Live Learning', 'Skill Benchmarks', 'Playlists', and 'Goals'. The 'Role' tab is active, showing a 'Get better at your role!' message and a 'Visit your Role Advisor' button. To the right, there is a 'LEARNING OF THE WEEK' section for 'JOURNEY INTRODUCTION' with a 'Start now!' link. A right-hand sidebar contains 'My Learning', 'My Settings', 'Help' (highlighted with a red box), and 'Log Out'. The footer of the main content area reads 'Recommendations for the Month'.
